Weight per Gallon: 9.4 Lbs.

PRODUCT/CONTAINER

DISPOSAL:

Dispose of used/unwanted product according to state and local regulations. Offer container for recycling.

SIZES AVAILABLE:

1 Gallon Bottle

Recyclable packaging

DIRECTIONS FOR PRODUCT USE:

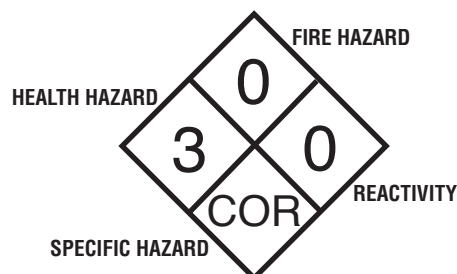

THIS PRODUCT IS READY TO USE. Works best at temperatures over 50° F. Protect all surrounding painted surfaces, plastics and foliage from splash and rinse water.

1. Always test a small area first.
2. Apply with a brush or roller and scrub product into graffitied surface.
3. Allow 20 to 25 minutes for penetration.
4. Rinse thoroughly with water under pressure. Hot water works best.
5. Repeat as needed on stubborn areas.

It is recommended that protective gloves and safety glasses be worn when using this and all cleaning products.

Refer to SDS for further safety information.
