

DG 99

Super Degreaser

Desengrasador Duro

- Concentrated • Biodegradable
- Environmentally Responsible Ingredients

Technical Data & Training Sheet

PRODUCT DESCRIPTION:

DG 99 SUPER DEGREASER is formulated with environmentally preferred ingredients. It is a concentrated, heavy duty degreaser that can be easily diluted for multiple applications. Its proprietary blend of water-based solvents combined with state of the art bio-based chemistry ensures excellent performance on all types of industrial soil. **DG 99 SUPER DEGREASER** is safe for the user, facility and the environment.

USES:

Suitable for use on many surfaces not damaged by water such as vinyl composition, ceramic & quarry tile, terrazzo, concrete, stainless steel etc., **DG 99 SUPER DEGREASER** easily suspends soil and dirt allowing for fast, economical cleaning whenever needed.

ADVANTAGES:

Formulated with biodegradable and environmentally responsible ingredients. Concentrated for light to heavy soil removal. Dye and fragrance free.

SPECIFICATIONS:

pH: 10-11
Color: Clear, Colorless
Solubility in Water: Complete
Odor: Mild, No Fragrance Added
Flash Point: N/A
Viscosity: Water thin liquid
Weight per Gallon: 8.77 Lbs.

PRODUCT/CONTAINER DISPOSAL:

Dispose of used/unused/unwanted product according to Federal, state & local regulations. Offer container for recycling.

SIZES AVAILABLE:

1 Gallon, 5 Gallons, 30 & 55 Gallons.

Recyclable packaging

DIRECTIONS FOR PRODUCT USE:

	PURPOSE	DILUTIONS
	Light Duty	1:32 (4 oz. per gallon of cold water) 1:32 (4 onzas cada galón de agua fría)
	Medium Duty	1:16 (8 oz. per gallon of cold water) 1:16 (8 onzas cada galón de agua fría)
	Heavy Duty	1:10 (12 oz. per gallon of cold water) 1:10 (12 onzas cada galón de agua fría)

It is recommended that protective gloves and safety glasses be worn when using this and all cleaning products.

Refer to SDS for further safety information.

1. Dilute with cold water according to soil concentration.

2. Apply cleaning solution with a coarse sprayer, brush, sponge, or mop.

3. If necessary, scrub to remove excess soil from surface.

4. Rinse with clear water and allow to dry.
