Acid Truck Wash

Detergente Ácido Para Camiones

- Concentrated • Easy To Use
- Fast Acting
- Cleans & Brightens

Technical Data Sheet

PRODUCT DESCRIPTION:

A highly concentrated, powerful, acid-based product designed to clean and brighten aluminum truck bodies. Contains phosphoric acid, foam stable detergents, wetting agent and polar solvents.

USES:

For spray or brush cleaning of aluminum truck bodies or cargo containers.

ADVANTAGES:

Concentrated, non-streaking, leaves no residue, high penetration & soil suspension. It chemically removes, without hard scrubbing, the toughest road and street grime in one application.

SPECIFICATIONS:

Active Ingredients: 40%
 pH: 1-2
 Color: Clear
 Solubility in Water: Complete
 Odor: Alcohol
 Flash Point: Exceeds 200° F
 Viscosity: Water Thin
 Weight per Gallon: 9.5 Lbs.

PRODUCT/CONTAINER

DISPOSAL:

Dispose of used/unwanted product according to state and local regulations. Offer container for recycling.

SIZES AVAILABLE:

1 Gallon Bottle, 5 Gallon Pail, 30 & 55 Gallon Drums.

Recyclable packaging

PRODUCT USE

PRODUCT USE	DILUTION RATE
Light Soil Deposits	5-6 oz. per gallon of water
Heavy Soil Deposits	10-12 oz. per gallon of water

DIRECTIONS FOR PRODUCT USE:

IMPORTANT HANDLING INFORMATION: Use a plastic container; metal containers may be used but prolonged contact will cause corrosion. If user does not have spraying equipment, use long handled mops or brushes to apply solution. Do not use in spraying systems unless the pumps and lines are made of 316 stainless steel or plastic.

LIGHT SOIL DEPOSITS OF OXIDE AND GRIME:

1. Mix solution per the dilution chart above.
2. Spray or brush on solution, starting at the bottom of surface and working up to top.
3. Agitate if necessary and rinse.

HEAVY SOIL DEPOSITS OF OXIDE, GRIME & CARBON:

1. Mix solution per the dilution chart above.
2. Spray or brush on solution, starting at the bottom of surface and working up to top.
3. Allow solution to sit approximately 1 minute, agitate and rinse.

It is recommended that protective gloves and safety glasses be worn when using this and all cleaning products.

Refer to SDS for further safety information.
