Weight per Gallon: 8.49 Lbs.

PRODUCT/CONTAINER

DISPOSAL:

Dispose of used/unwanted product according to state and local regulations. Offer container for recycling.

SIZES AVAILABLE:

1 Gallon Bottle, 5 Gallon Pail,
30 & 55 Gallon Drums.

Formula
#4730

PRODUCT USE

DILUTION RATE

Light Soil	1-2 oz. per gallon of water
Average Soil	4-6 oz. per gallon of water
Heavy Soil	8-10 oz. per gallon of water

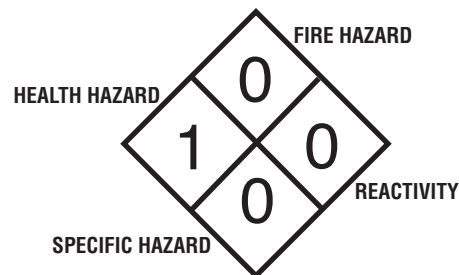

DIRECTIONS FOR PRODUCT USE:

1. Add SUD-Z to a small amount of water in the bottom of a bucket.
2. Turn a hard spray of water into the bucket to work up suds..
3. Rinse car thoroughly with a hose to remove excess dirt and to cool surface.
4. Starting at the top of the car, apply solution to a small area; then rinse. If suds dry on surface, wet down, re-wash and rinse.
5. When level of foam lessens, a hard spray of water will refill the bucket with ample suds.
6. Wiping or chamois is not necessary after rinsing if used as directed; cleaned surface will dry streak-free.

It is recommended that protective gloves and safety glasses be worn when using this and all cleaning products.

Refer to SDS for further safety information.
