#### USES:

Peroxy 180 RTU is a sanitizer for hard, non-porous (kitchen, bathroom and household) non-food contact surfaces: EPA List "N" approved, kills Norovirus and many other common pathogens. Hydrogen peroxide is a natural deodorizer, so Peroxy 180 RTU readily neutralizes common malodors like urine, rotting food, garbage, etc. Hydrogen peroxide is an excellent color safe bleaching agent, making it effective for removing stains.
