

Power Foam

Degreaser

Desengrasante

- Highly Concentrated • Heavy Duty
- USDA Authorized • High Foaming • Quickly Emulsifies

Technical Data Sheet

PRODUCT DESCRIPTION:

A highly concentrated, heavy duty, USDA authorized formulation which consists of high foaming surfactants, emulsifiers, alkaline builders and water-based solvents.

USES:

Leaves food preparation areas thoroughly clean. Also used in garages, industrial plants, cafeterias, hospital kitchens, shower & locker rooms, flight kitchens, bakeries, military bases, super-municipalities, etc.

ADVANTAGES:

Dissolves, emulsifies & removes grease, oils, fats, food residues and soap scum from hard surfaces quickly and efficiently.

SPECIFICATIONS:

Active Ingredients: 28%

pH: 12

Color: Colorless

Solubility in Water: Complete

Odor: Mild

Flash Point: None

Viscosity: Thin Liquid

Weight per Gallon: 8.5 Lbs.

PRODUCT/CONTAINER

DISPOSAL:

Dispose of used/unwanted product according to state and local regulations. Offer container for recycling.

SIZES AVAILABLE:

1 Gallon Bottle, 5 Gallon Pail, 30 & 55 Gallon Drums.

Formula #8599

Recyclable packaging

PRODUCT USE

DILUTION RATE

Scrubbing, Cleaning & Degreasing	6 oz. per gallon of water
----------------------------------	---------------------------

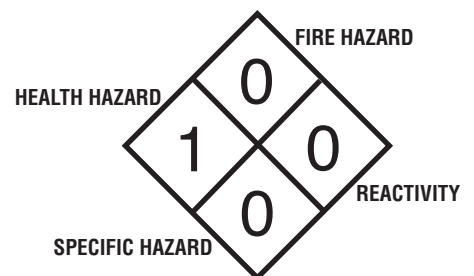

DILUTION RATE MAY VARY DEPENDING UPON SEVERITY OF SOIL ACCUMULATION

DIRECTIONS FOR PRODUCT USE:

1. Remove or cover all foods in the area to be cleaned.
2. Scrape off excess or heavy deposits of soil, fat, grease and food particles from surfaces to be cleaned.
3. Apply diluted solution with mop, sponge or similar convenient applicator.
4. Let stand about 5 minutes, then flush completely with clean, hot water and allow to drain completely before reuse.
5. For spray application, charge sprayer reservoir with degreaser concentrate and set for a dilution rate of 6 oz. per gallon of water. Spray evenly on surfaces to be cleaned. Then follow step 4 above.

It is recommended that protective gloves and safety glasses be worn when using this and all cleaning products. Refer to SDS for further safety information.
