Active Ingredients: 100%
 pH: N/A
 Color: Pale Straw
 Solubility in Water: Insoluble
 Odor: Slight
 Flash Point: <280° F
 Viscosity: Water Thin
 Weight per Gallon: 7.4 Lbs.

Recyclable packaging

PRODUCT USE

Mops/Dust Cloths

DILUTION RATE

Full strength or 1:1

DIRECTIONS FOR PRODUCT USE:

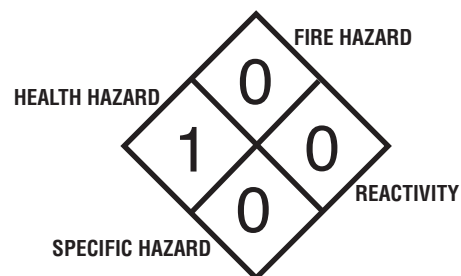

1. Dilute MAGIC MIST per the chart above according to product use.
2. Apply to the middle of mop strands approximately 1 oz. solution for every 6 inches of dust mop.
3. After each use, shake dust mop thoroughly to remove loose soil..
4. Vacuum dust mop head before re-treating. Re-treat dust mop every week. To determine when to re-treat, shake out soil. If soil is light in color, the dust mop needs to be re-treated.

NOTE: Launder mops and dust cloths periodically, as required by soil conditions. Launder all previously treated oil mops before applying a water-based mop treatment.

It is recommended that protective gloves and safety glasses be worn when using this and all cleaning products.

Refer to SDS for further safety information.
