SPECIFICATIONS:

pH: N/A
 Color: Clear, Colorless
 Solubility in Water: N/A
 Odor: Orange Scent
 Flash Point: None
 Viscosity: Water Thin
 Weight per Gallon: 6.65 Lbs.

PRODUCT/CONTAINER

DISPOSAL:

Dispose of used/unwanted product according to Federal, state & local regulations. Offer container for recycling.

SIZES AVAILABLE:

1 Gallon Bottle

DIRECTIONS FOR PRODUCT USE:

Before using, test small area for colorfastness.

Gum Removal/Tape Adhesive Residue:

1. Poke holes in the gum.
2. Apply a small amount of GO GOO to the gum and allow to set for one minute.
3. Remove by scraping with a bone knife or putty knife.
4. Rinse area after removal. Heavily embedded gum or adhesives may require a second application.

Spot Removal:

1. Apply a small amount to the spot and allow to set for one minute.
2. Agitate with the bone knife and blot with a white towel until spot is removed.
3. Rinse with water and blot dry. Not to be used as a thinner.

NOTE: Do not apply with a mist. Avoid rubbing or over-wetting of spots that tend to spread. Remove dirt prior to cleaning by blotting with a clean rag dampened with this product solution. Over-wetting above carpet adhesive seam tapes may cause seam to separate.

BRUSH MAINTENANCE: Allow brush to soak in this product solution for 10-15 minutes. Remove any excess gum with a clean absorbent cloth before continuing use.

Refer to SDS for further safety information.
