DIRECTIONS FOR PRODUCT USE:

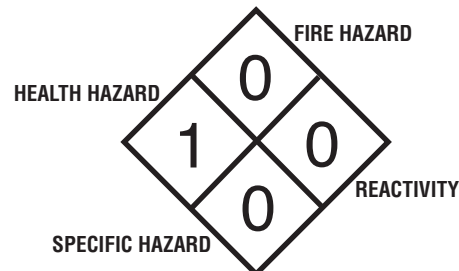

1. **STAIN REMOVER:** Apply directly to stain, allow to penetrate for 3-5 minutes, then use a damp cloth or sponge and blot up excess. Allow to air dry. Repeat process if necessary.
2. **ODOR COUNTERACTANT:** Apply to area affected by pet accidents, food spills etc. Allow to work for 3-5 minutes, then blot up excess with a damp cloth and/or extract.
3. **PRE-SPRAY:** Spray evenly onto the entire carpet, put extra product on the stained spots. Let product work for 5-10 minutes. Clean carpet with rotary or extraction procedures.

IMPORTANT: Use only as directed. Do not mix with other products unless recommended as harmful conditions or poor performance may occur. Do not pour unused portion back into container. Pre-test carpet for colorfastness in an inconspicuous area. Use a clean cloth or sponge for application and if test area indicates bleeding, color removal, carpet shrinkage or deterioration of adhesive, do not use. Use on colorfast fabrics only.

It is recommended that protective gloves and safety glasses be worn when using this and all cleaning products.

Refer to SDS for further safety information.
