

Citrus Zyme

Cleaner/Degreaser

Tratamiento Enzimático

- Controls Odors
 Water-Based
- Environmentally Safe Increases Flow
- Breaks Up Oil And Grease

Technical Data Sheet

PRODUCT DESCRIPTION:

A unique water-based blend of enzymes, d-limonene and surfactants. Formulated to effectively control odor and build-up of grease, oils and fats in drain lines, grease traps and septic systems.

USES:

Multi-purpose cleaning & degreasing of a wide variety of surfaces. Good for sump & grease traps, floors, walls, parts washing, etc. Ideal for cleaning and deodorizing garbage compactors and dumpsters.

ADVANTAGES:

Pleasant citrus odor, excellent cleaner & degreaser, noncorrosive, non-combustible, cleans without petroleum solvent odors. Contains no caustics or no acids. Natural enzymes break down organic soils on contact.

SPECIFICATIONS:

Active Ingredients: 40%

pH: 6-7

Color: Pale Yellow

Solubility in Water: Complete

Odor: Citrus Flash Point: None **Viscosity: Water Thin** Weight per Gallon: 8.5 Lbs.

PRODUCT/CONTAINER **DISPOSAL:**

Dispose of used/unwanted product according to state and local regulations. Offer container for recycling.

SIZES AVAILABLE:

1 Gallon Bottle, 5 Gallon Pail, 30 & 55 Gallon Drums.

PRODUCT USE

USAGE RATE

Grease Traps	1 oz./qt. of water per 20 gallon capacity
Routine Maintenance	2-4 oz. per gallon of water
Drains & Drain Lines	8 oz. per gallon of water

DIRECTIONS FOR PRODUCT USE:

Grease Traps: Clean the trap of all accumulated grease. Regular treatment of 1 oz. each evening with about 1 quart of water for each 20 gallons of trap capacity will keep the trap grease and odor free, eliminating the need for periodic manual cleaning. Application may vary depending upon the quantity of grease entering the trap.

Routine Maintenance: Initial Treatment - Pour 16-32 oz. down all drain openings. Allow to stand for 10 minutes. Maintain by treating with 8-16 oz. as needed.

Drains And Drain Lines: Pour recommended amount shown above down the drain. Under severe conditions of grease build-up, repeated applications may be necessary.

It is recommended that protective gloves and safety glasses be worn when using this and all cleaning products.

Refer to SDS for further safety information.
