

Citrus Lift Station Cleaner

Limpiador

- d-Limonene Based • Neutralizes Odors
- Dissolves Fat, Grease • Concentrated

Technical Data Sheet

PRODUCT DESCRIPTION:

A highly concentrated 100% natural d-limonene formula designed to dissolve fat, grease and oil as well as to neutralize odors in lift stations.

USES:

Cleans and deodorizes lift station shaftways of grease and oil in water treatment operations. Also useful for treating clogged drains of grease and slime as well as maintaining grease traps.

ADVANTAGES:

A natural citrus extract, highly concentrated and extremely powerful. An excellent grease & oil solvent, non-corrosive, which floats and cleans the lift shaftway as the lift moves. Contains no caustics or no acids. Leaves a pleasant citrus odor.

SPECIFICATIONS:

Active Ingredients: 100%
 pH: N/A
 Color: Light Yellow
 Solubility in Water: Emulsifies
 Odor: Citrus
 Flash Point: 150° F
 Viscosity: Slight
 Weight per Gallon: 7.5 Lbs.

PRODUCT/CONTAINER

DISPOSAL:

Dispose of used/unwanted product according to state and local regulations. Offer container for recycling.

SIZES AVAILABLE:

1 Gallon Bottle, 5 Gallon Pail, 30 & 55 Gallon Drums.

Recyclable packaging

DIRECTIONS FOR PRODUCT USE:

1. Use 1/2 gallon of concentrate per square foot of water surface in lift station.

NOTE: This product contains no emulsifiers which enable it to float on the surface. As the water level changes in the lift station, concentrate will cling to the walls and provide continuous cleaning. This usage rate will also dissolve any floating grease balls formed by pumping equipment.

It is recommended that protective gloves and safety glasses be worn when using this and all cleaning products. Refer to SDS for further safety information.
