

# SUPER SEAL IMPREGNATOR

*Protects Surfaces From Water, Dirt, Grease and Oil*

*For use on: • Marble • Granite • Terrazzo • Sandstone  
• Limestone • Concrete • Agglomerated & Engineered Stone*

## Technical Data Sheet

### **PRODUCT DESCRIPTION:**

A sealer/impregnator formulated with a special polymer that penetrates deeply into the pores of the stone, repelling oil & water stains, dirt and grease while allowing the stone to breathe.

### **USES:**

Protects stone surfaces from water, dirt, grease and oil.

### **ADVANTAGES:**

Excellent for protecting porous unpolished stone such as antique marble, flamed or honed & polished surfaces. This product is solvent-based, UV resistant, odorless and will not change the color of the stone.

### **SPECIFICATIONS:**

pH: NA  
Color: Colorless to Light Yellow  
Solubility in Water: Complete  
Odor: Characteristic  
Flash Point: N/A  
Viscosity: Water thin liquid  
Weight per Gallon: 6.5 Lbs.

### **PRODUCT/CONTAINER**

#### **DISPOSAL:**

Dispose of used/unwanted product according to state and local regulations. Offer container for recycling.

### **SIZES AVAILABLE:**

1 Gallon Bottle

 Recyclable packaging

### **DIRECTIONS FOR PRODUCT USE:**

1. Prior to use, thoroughly clean stone surface with Multi-Kleen and allow to dry.
2. Shake well before using.
3. Apply evenly with a clean, lint free cloth or brush and remove any excess.
4. Porous stone may require a second application. Wait at least 2 hours before re-applying. Remove any excess.
5. If surface should become tacky or streaky, dampen a lint free cloth with Super Seal and rub over entire surface to remove excess product.
6. Allow surface to dry for 24 hours before use.

### **Coverage:**

Marble & Granite Polished to 800 grit-1 quart covers approx. 320-430 sq. ft.  
Calcareous Stone, Limestone, Sandstone, Concrete Polished or Ground to 800 grit- 1 quart covers approx. 110-170 sq. ft.

Expected wear will vary depending upon type of surface applied to, type of cleaners used and amount of cleaning. It is recommended that product be applied at least annually and biannually in case of heavy surface use.

It is recommended that protective gloves and safety glasses be worn when using this and all cleaning products.

Refer to SDS for further safety information.
